### ClickBus Serviços de Viagens e Passagens de Ônibus Viajes y guías

ClickBus is an application that allows you to find bus tickets easily and quickly. In it you will find a wide number of destinations with offers that you can compare to choose the one that best suits what you are looking for and thus be able to buy it online without the need to wait

Using the **ClickBus** application you will be guaranteed your bus ticket, being in the most comfortable, safe way and finding exclusive discounts. In it, more than 130 coach companies are available with which you can travel to more than 5,000 destinations, among which are Expresso Guanabara, Gontijo, Viação Andorinha, Águia Branca and many more.

It is a company that has been operating since 2013, leader in the online sale of bus tickets. Since it was born it has helped to improve the road sector in the country, incorporating the latest technologies and always innovating to offer its customers the best services, the last great revolution has been the sale of these tickets online, being a pioneer, its objective is help Brazilians travel by bus more easily.

The company is part of the Rocket Internet Group incubator, being in the digital ecosystem of the road sector. It works to make it easy for travelers to find, compare and buy coach tickets that is as convenient as possible for them. Among the companies that collaborate with it, you find well-known brands such as Primera Plus, ETN, Flecha Amarilla, Transporte del Norte, Ovnibus, etc.

It is an application that you can **download for free** and that you will find available for iOS and Android mobile devices, in which you will only need several clicks to compare and choose the best ticket for your trip. You just have to install it on your phone and start using it, you can compare prices, schedules or the services they offer you, guaranteeing that you will always have the best prices at your disposal.

The platform itself gives you a list of recommended destinations, with all the information about the place, the type of seats that it offers and photographs of the site, so that you get an idea of ??what you will find if you are not sure where you want to go and decide follow this advice. On the contrary, if you are clear about your destination, do not hesitate to put it in your search engine, ClickBus will show you all the prices, the highest and the lowest, so you can see the difference and choose the one that suits you best.

With a very intuitive and simple interface, the first thing that will come out once you enter the app will be that you choose which country you are in, the options it offers are: Brazil, Turkey and Mexico. Once chosen, you will be able to search for bus tickets directly from its main screen, only having to add the date and destination. It is the application itself that searches and shows you the best prices for those values ??that you have indicated. Choose the one that best suits your needs and choose which seat you want. Once you have chosen it, put the name of who is going to travel and the type of ticket in question, for example if it is an adult, a child, a senior, etc. A screen will appear to add all the buyer's data.

It has different payment methods, all in an easy and fast way, with the peace of mind that your purchase is totally secure. The most used way is through credit card and one of the **advantages of ClickBus** is the possibility of splitting the payment up to 12 months, you can also use a debit card, PayPal or even making a bank transfer. It is 100% secure and guarantees that all your data will not be used for purposes other than the application itself.

Once you have chosen one of the tickets they offer you, the receipt will arrive in your own app with which you can

board the bus without having to collect the physical ticket at the box office or wait for queues, you simply have to go to your bus and get on it.

ClickBus has a customer service that you will find available whenever you need, through the app, its website, a phone or even on its social networks.

Inside you will find endless discounts and special offers at your disposal. To insert a discount code, you will only have to fill in the corresponding section on the payment screen, automatically discounting the final price, on the **ClickBus** website there is a section to discover some of them that will save you even more money on your trip. Traveling by bus has never been so easy and comfortable, dare to discover new places using a single application to manage your tickets and make your trip perfect.
