Review Club Factory

Club Factory

Club Factory is an online store that was born in India and is known around the world for selling products at factory prices and the possibility of making massive purchases. With its price comparator you will always find what you are looking for at the best cost

Club Factory is a well-known e-commerce in the world, being the leader in India, Europe, the Middle East and Southeast Asia. Developed in 2014, it is an Indian website by Vincent Lou, a Facebook worker who decided his time at the famous company was over and that he is based in China. It has more than 70 million active users, of which 40 are only in their country of origin.

Lou left Facebook because he wanted to create a site where the prices are really fair with what was sold, and that's why he created **Club Factory**, to be able to do something related to what he liked. In this application you will find more than a million articles organized in 13 categories, where you will find all kinds of products, but above all the best sellers are those of fashion and women's accessories such as: jewelry, bags, clothing, beauty and many more. Its catalog is expanded by a number of 10,000 new objects in each of the sections.

For everything to work properly with a high flow of visits, **Club Factory** uses an artificial intelligence system that allows you to compare the price of products

Surely you are wondering how to create an account at **Club Factory**, if the site is reliable and how long it takes for an order to arrive, to know the answers to these questions, read on. There are several things you have to know before you start shopping on this site, although if you have already purchased you will find new tips that you may not have known and that will be useful for future purchases.

The advantage you have is that you find the products at 30% cheaper than what you would find directly in the store or from its factory, and thus you are saving money. To purchase items in **Club Factory** it is very simple, its navigation is fast, you do not need to create an account to see everything it has, but it does if you want to buy. Remember that the email you use to create a profile must be an email that you see every day to know what status your order is in or see the new prices that are offered to you. It also offers you the possibility of registering from your Facebook profile or directly with your phone number. In addition to guaranteeing the lowest prices, from the application itself they offer you exclusive offers, in which you will find incredible advantages and discounts.

One difference that **Club Factory** has with the rest of ecommerce, is the proposal of being a site with factory prices and that you will find these products much cheaper. It also gives you the opportunity to get many more at the same time and that there are not elsewhere, so you can buy accessories in large quantities, stationery or clothing made in other parts of the world, which makes it a very good option if you are thinking of buying massively.

How can you pay at **Club Factory**? With your debit and credit card and at the Oxo. It is super accessible, choose the products you want and add them to your shopping cart, when you already have them all, select the Buy option and at that moment it will direct you to the page to make the payment and when you see the different ways you have to payment choose one of the three options that appear, if you decide to use the Oxo form, you click on the next one and a payment ticket will be generated which is credited 3 days after paying.

Club Factory items generally take at least 30 to 45 days to arrive, so if you're looking for things in a hurry, it's best to order in advance. You can buy through the mobile application to be able to track your entire order, from the computer

you have fewer options, you can **download it for free** for **Android** and **iOS** devices.

Club Factory has been identified as one of the safest online shopping sites on the net. In each product you will find evaluations of other buyers and you will be able to get an idea of ??what you are going to get is just what you are asking for. In addition, its means of payment are 100% secure, adding a customer service section that you will have at your disposal online 24 hours a day, 7 days a week.
